

Archbishop Aymond has decided that this year will be dedicated as ***The Year of The Eucharist and St. Joseph: A time of renewal, healing, and communion.***

It is precisely fitting that we begin this important year today, for baptism marks the beginning of our initiation into Jesus Christ, a lifelong journey toward union with Christ and one another. The Eucharist is communion with God. The Eucharist is the source and summit of the Christian Life. Christ nourishes us with his very Body and Blood so that we can be joined more closely to him and to all humanity.

How do we console Jesus right now? How do we praise him right now? At this moment, we can make giant leaps in holiness if we try to have this attitude of mind that no matter what the circumstance is, we want to praise and console Jesus. This is a pre act of love for Jesus
