How can you say to your brother, "Brother, let me remove that splinter in your eye; when you do not even notice the wooden beam in your own eye? You hypocrite! Remove the wooden beam from your eye first; then you will see clearly to remove the splinter in your brother's eye.

And the prayer of faith will save the sick person, and the Lord will raise him up.

James 5:15

REFLECTION: A faith-filled prayer is an expression of love for and trust in God. The Spirit of God raises this love up to the Father and communicates the Father's love to us.

Sometimes this brings physical healing. Sometimes this brings healing of one's spirit (finding peace even if one is not healed physically).

PRAYER: Teach me to trust in the power of prayer, O Lord.
