

Pray for us, O Holy Mother of God  
That we may be made worthy of the  
promises of  
Christ.

## Mary, The Mother Of God

"When the Blessed Virgin said yes, freely, to the plans revealed to her by the Creator, the divine Word assumed a human nature - a rational soul and a body - which was formed in the most pure womb of Mary. The divine nature and the human were united in a single Person: Jesus Christ, true God and, thenceforth, true man; the only begotten and eternal son of the Father and from that moment on, as man, the true son of Mary. This is why our Lady is the mother of the Incarnate Word, of the second person of the Blessed Trinity, who has united our human nature to himself for ever, without any confusion of the two natures. The greatest praise we can give to the Blessed Virgin is to address her loudly and clearly by the name that expresses here very highest dignity: 'Mother of God'.

Let us offer to our Mother brief but frequent prayers of love, such as: 'Mother of God, your petitions are most powerful.'"

Among wisdom's treasures is the example of prudence, but fear of the Lord is considered to be an abomination to the sinner.

Sirach 1:22

REFLECTION. We usually associate the action of the Spirit with power and exuberance, not with prudence. Yet, the Spirit teaches us how to be prudent and loving when we use our spiritual gifts.

In the Spirit, we become vessels of God's grace without appropriating the honor and glory of ourselves.

PRAYER. *Gentle Spirit, may I always be prudent in what I say and do.*

Don't search for Jesus in far lands - He is not there. He is close to you; He is with you. Just keep the lamp burning and you will; always see Him. Keep on filling the lamp with all these little drops of love, and you will see how sweet is the Lord you love.

Everyday we need to pray because there will be some hard times; times when your faith will be attacked and when your doubts will be increased. What will you do? Persevere in prayer now. What happens in the future doesn't matter.
