

**SAINT POPE ST. PIUS X
MEMORIAL - AUGUST 21ST**

Pope Saint Pius X was born Giuseppe Sarto in Northern Italy to humble parents in a poor home, the second of ten children. He entered the seminary as an adolescent and was ordained a priest at the young age of 23. He served for many years in parishes and seminaries before being made a bishop and then a cardinal. His life experience in the Church was almost exclusively pastoral, that is, concerned with the care of souls. Pius X made changes to the Church's liturgical and sacramental life that proved to be enduring and popular. He lowered the age of First Holy Communion from 12 to 7 and encouraged frequent reception of Holy Communion instead of the once-a-year, Easter duty typical at that time. He mandated that the Confraternity of Christian doctrine (CCD) be present in every parish in the world to teach catechism to children. He also began the enormous process of gathering and synthesizing the Church's massive, centuries' old body of law into an easy to handle Code of Canon Law which was promulgated in 1917. Saint Pius X stayed humble and poor his entire life. He was embarrassed by the pomp of papal ceremonies but understood their significance to the faithful. Three of his unmarried sisters lived in near poverty on the outskirts of Rome while he reigned as pope. He could have favored them with titles or other privileges to ease their burdens but he did not. He died in August 1914 and was canonized in 1954.

Blessed be the Lord, the God of our ancestors, who put it into the heart of the king thus to glorify the house of the Lord in Jerusalem

Ezra 7:27

Reflection. When the king agrees to help the Israelites, Ezra understands immediately that God's love has moved the king's heart, even though the king is not a Jew.

God can move anyone, regardless of what that person might have believed before God's loving touch..

Prayer: Compassionate God, when I am confronted with an "impossible" situation, or even "impossible" people, remind me that Your love can accomplish anything
