FR. GUY'S REFLECTION

Dear Friends,

As we celebrate the Body of Christ on this Feast of Corpus Christi, we realize Jesus is not just inviting us to eat His Body and drink His Blood. The Body Jesus offered for our nourishment, was beaten, bruised and crucified. We cannot forget this. It is the Body of the crucified and risen Lord, we receive at Mass. The Blood we drink was shed through immense suffering.

Jesus in His earthly ministry always identified with the poor and suffering. His Body was the means of healing, comfort, and nourishment to those who came to Him in need. He gave Himself completely when He walked this earth and gives Himself completely to us now.

As Christians, we cannot help but realize the essential connection between the Lord's crucified Body and the suffering bodies of many who live among us. Jesus Christ's Body in the Eucharist is the lens through which we see the many broken bodies in the world.

When we come this weekend to the table of the Lord's sacrifice to receive Him, we must also be attentive to the misery and suffering of so many.

Thank you to those who are volunteering to cook and serve meals to the homeless. My gratitude to those who donate food and supplies for the ministry to the homeless. The hungry, and the homeless are bodies suffering, they are the Body of Christ as we are the Body of Christ to them.

Receiving the Lord's Body and Blood in the Eucharist is a communion with all our brothers and sisters.

Peace,

fr guy

POPE LEO XIV

Pope Leo XIV echoes Pope Pius XII's historic appeal for peace.

In 1939, Pius XII issued his famous appeal by radio as the world stood on the brink of the Second World War. The Pope's words, which went unheard at the time, were echoed today by Leo XIV at the end of the General Audience, to call for peace in the face of the current climate of tension and violence.

"It is by the force of reason, not the force of arms, that justice makes its way," Pope Pius XII proclaimed. "Empires not founded on justice are not blessed by God. Politics divorced from morality betrays those who promote it."

He added, with urgency:

"The danger is imminent, but there is still time. Nothing is lost with peace. All may be lost with war. Let men return to mutual understanding. Let them resume negotiations. By negotiating with goodwill and respect for each other's rights, they will find that sincere and effective agreements are always possible—and can lead to honourable success."
