"Hope has been the sole companion of my life, the greatest aid in doubts, the strongest assistance in my weakness; hope, but not the hope in men, such as is thought to bring greater happiness and instead brings greater disaster, but hope in Christ, supported by the celestial promise that He will strengthen the weakest of men with a greatness of soul and divine help." —St. Pope Pius X (1835-1914)

Shepherd's Call

The end of August and beginning of September means back to school (Hamilton students are already in school and St. Joseph students go back on Thursday of this week). I'm looking forward to the energy they bring to our halls. Our parish schools take seriously our role in helping them to grow as a person, to grow spiritually, and to grow in their knowledge of our world.

September and October are also the most common months for weddings (there were two weddings at St. Julie this weekend). I very much enjoy sharing joy with couples and their families on the day that they exchange vows and promise forever. If you have family members planning a wedding for the fall of next year, encourage them/remind them to call the priest. Marriage is such a value to the Church and to society, but it is also challenging at times. I would like to be able to do more to help our young couples prepare to share a lifetime together. Currently, there are three couples from St. Julie and one couple from St. Joseph who assist in marriage preparation ministry. Consider if you and your spouse have time and willingness to help young couples. I'm not looking for perfect couples; I'm looking for couples that value marriage and believe a lifelong marriage is something worth the effort. If so, please call or e-mail me as listed in the bulletin.

What a joy to know, love, and serve the good God!

In Christ,

Fr. Bob
