Vicars's Corner

During the next few vicars' corners we'll tackle the three pillars of Lenten practice, penance, prayer, and alms. We'll tackle penance this week. Our guiding verse of Scripture is the beatitude, "blessed are the pure of heart, for they shall see God."

First, we should remind ourselves that while penance is encouraged during Lent, it's a year-round activity. It's an obligation for Catholics every Friday of the year (except a few special feasts). During Lent, that penance must be abstaining from meat. Other Fridays of the year, Catholics are free to pick their penance.

Why is penance (supposed to be) such an integral part of our lives as Christians? I'll focus on two reasons. The first is detachment. We're all attached to various things - some harmful, some more benign. A sign of attachment is to feel pain when the object is missed. I'm attached to outdoor activities. Take away my fishing trip, and I feel it.

That's attachment. It isn't bad in itself, but it can be a distraction. When we "give something up," we're breaking an attachment, eliminating a distraction. The more we break our attachments, the cleaner and purer our hearts can become, so that we can turn our hearts to God - we can "see God," in the words of the beatitude.

As we become free to "see God" we can begin to embrace the second purpose of penance - to share in Christ's suffering. Saints who practiced remarkable penances (so many - Catherine of Siena, Jean Vianney, Mother Teresa come to mind) did so because they wanted to share the Cross. St. Paul said, "I fill up in my body what is lacking in the sufferings of Christ." Every Christian is called to do that - to suffer with Christ for the salvation of souls. Through the school of suffering we learn love.

The purpose of penance? Detachment gives purity of heart, which frees us to suffer with Christ for our salvation. "Blessed are the pure of heart, for they shall see God."

En los próximos rincones del vicario, abordaremos los tres pilares de la práctica de Cuaresma, la penitencia, la oración y la limosna. Esta semana hablaremos de la penitencia. Nuestro versículo guía de las Escrituras es la bienaventuranza, "bienaventurados los limpios de corazón, porque ellos verán a Dios".

Primero, debemos recordarnos que, si bien se fomenta la penitencia durante la Cuaresma, es una actividad de todo el año. Es una obligación para los católicos todos los viernes del año (excepto algunas fiestas especiales). Durante la Cuaresma, esa penitencia debe ser abstenerse de comer carne. Los demás viernes del año, los católicos son libres de elegir su penitencia.

¿Por qué la penitencia (se supone que es) una parte tan integral de nuestras vidas como cristianos? Me centraré en dos razones. El primero es el desapego. Todos estamos apegados a varias cosas, algunas dañinas, otras más benignas. Un signo de apego es sentir dolor cuando se pierde el objeto. Estoy apegado a las actividades al aire libre. cancelo mi viaje de pesca, y lo siento. Eso es apego. No es malo en sí mismo, pero puede ser una distracción. Cuando "renunciamos a algo", estamos rompiendo un apego, eliminando una distracción. Cuanto más rompamos nuestros apegos, más limpios y puros pueden volverse nuestros corazones, para que podamos volver nuestros corazones a Dios: podemos "ver a Dios", en las palabras de la bienaventuranza.

A medida que nos liberamos para "ver a Dios", podemos comenzar a abrazar el segundo propósito de la penitencia: compartir el sufrimiento de Cristo. Los santos que practicaron penitencias notables (me vienen a la mente tantos: Catalina de Siena, Jean Vianney, Madre Teresa) lo hicieron porque querían compartir la Cruz. San Pablo dijo: "Cumpló en mi cuerpo lo que falta en los sufrimientos de Cristo". Todo cristiano está llamado a hacer eso: sufrir con Cristo por la salvación de las almas. A través de la escuela del sufrimiento aprendemos el amor.

¿El propósito de la penitencia? El desapego da pureza de corazón, que nos libera para sufrir con Cristo por nuestra salvación. "Bienaventurados los limpios de corazón, porque ellos verán a Dios".

Our next **YOUTH NIGHT** will be on **Sunday, February 26, from 6-8 pm at the St. Peter in Chains school cafeteria**. We'll have some time for fun and games, faith formation, and adoration and confession. If your child (7th-12th grade) is interested in attending, please fill out the permission form located on the Hamilton Catholic Pastoral Region website under the tab "Our Youth." (hamiltoncatholic.org/our-youth)

It's only necessary to fill out the form once for the year. Last, but not least, please pray for our parish family's youth and the volunteer mentors who support the group!

THE FATHER'S LENTEN CHALLENGE

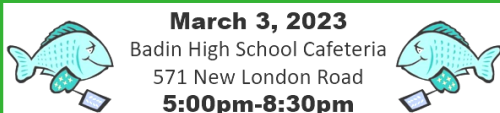

Asking men to embrace with renewed vigor their God-given responsibility to lead their families in faith.

Fathers: I (Fr. Hoffmann) am issuing a challenge: If you accept, you'll meet this Lent, weekly as you're able (6:50 am on Saturday mornings, or 8:50 pm Thursday evenings), practice a common penance, and learn to lead your families in prayer. Come once, at least! If it's worth it, come again. This is not a group at which we sit around the table and "sing Kum-ba-yah" or feel forced to spill our guts. The goals are actions and results - actions: prayer, penance, and servant leadership; and results: God willing, lifelong faith for your children. Only you, with God's help, can achieve this. My goal is to provide you with the time-tested tools of our faith, which have too often been neglected. Our next meeting will be on Thursday, Mar. 2nd at 8:50 pm and Saturday, Mar. 4th at 6:50 am. All meetings are at St. Joseph Rectory, 171 Washington St - the large brick house just to the West of St. Joseph Church. See the Vicar's Corner for

more. See the "trailer" at this link: <https://tinyurl.com/FatherLentenChallenge>

"I HAVE EARNESTLY DESIRED:" EXCERPTS FROM THE APOSTOLIC LETTER OF POPE FRANCIS (June 29th, 2022) ON THE LITURGICAL FORMATION OF THE PEOPLE OF GOD

Ars celebrandi

One way of caring for and growing in a vital understanding of the symbols of the Liturgy is certainly the *ars celebrandi*, the art of celebrating. This expression also is subject to different interpretations. Its sense becomes clear if we refer to the theological sense of the Liturgy described in *Sacrosanctum Concilium* n. 7, to which I have already referred to several times. The *ars celebrandi* cannot be reduced to only a rubrical mechanism, much less should it be thought of as imaginative—sometimes wild—creativity without rules. The rite is in itself a norm, and the norm is never an end in itself, but it is always at the service of a higher reality that it means to protect.

49. As in any art, the *ars celebrandi* requires different kinds of knowledge. First of all, it requires an understanding of the dynamism that unfolds through the Liturgy. The action of the celebration is the place in which, by means of memorial, the Paschal Mystery is made present so that the baptized, through their participation, can experience it in their own lives. Without this understanding, the celebration easily falls into a preoccupation with the exterior (more or less refined) or into a concern only for the rubrics (more or less rigid).

Then, it is necessary to know how the Holy Spirit acts in every celebration. The art of celebrating must be in harmony with the action of the Spirit. Only in this way will it be free from the subjectivisms that are the fruit of individual tastes dominating. Only in this way will it be free from the invasion of cultural elements that are taken on without discernment and that have nothing to do with a correct understanding of inculturation.

Finally, it is necessary to understand the dynamics of symbolic language, its particular nature, its efficacy.

**February 26:
First Sunday of Lent**

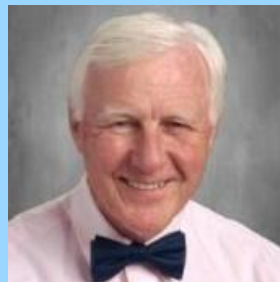

Lent is a call to “give alms for the poor.” Wherever you live in the parish, there are poor families within walking distance of

your home. When in need, they call our helpline. They are, in effect, calling you.

Is there a family you know who needs assistance? Please call the Society of St. Vincent de Paul so that together we can help the suffering and poor.

Dear St. Joseph School Families,

It is with a whole range of emotions that I send this communication to you. I am writing to inform you of my decision to retire at the end of this 2022-2023 school year. This year, I am completing my 18th year here at St. Joseph. It has been an extremely fulfilling time for me. I have had the great, great privilege of being able to work with some amazing people. I have had the opportunity to participate in the development of, what I believe to be, one the best elementary schools in this area. Yes, I am proud of what we have here and of my role in shaping it. While I am retiring, I do not plan to walk away from this amazing place. I fully intend to be available as a resource and volunteer in the years ahead. Please know how grateful I am for the privilege of being able to serve you and your family.

February 26- First Sunday of Lent

We are never immune to temptation; it is real. But temptation always brings choice, decision, and greater self-knowledge. In the case of the Son of God, his choice was also between God and Satan, his decision was to be faithful to God's Law and revelation, and his greater self-knowledge led him out of the desert to begin his public ministry. In our daily living we must place our temptations and the choices within the context of the commandment to love God and neighbor. This is Lent's challenge and invitation.

February 26: First Sunday of Lent

Lent is a call to "give alms for the poor." Wherever you live in the parish, there are poor families within walking distance of your home. When in need, they call our helpline. They are, in effect, calling you.

Is there a family you know who needs assistance? Please call the Society of St. Vincent de Paul so that together we can help the suffering and poor.

Meet our CLOW Teacher:

Maria Howard

Maria Howard has been an important asset to the CLOW ministry. With her gentleness and kind words, she helps to keep everything running smoothly and assists the presenters wherever they need it. Maria is widowed and has a son, a granddaughter, and a large extended family. Maria likes to volunteer with CLOW because it reinforces her faith and she enjoys hearing the children's thoughts and ideas.

Continuación... "HE DESEADO FIRMEMENTE:" CITAS DE LA CARTA APOSTÓLICA DEL PAPA FRANCISCO (29 de junio de 2022) SOBRE LA FORMACIÓN LITÚRGICA DEL PUEBLO DE DIOS.

52. Entre los gestos rituales que pertenecen a toda la asamblea, el silencio ocupa un lugar de absoluta importancia. Varias veces se prescribe expresamente en las rúbricas: toda la celebración eucarística está inmersa en el silencio que precede a su inicio y marca cada momento de su desarrollo ritual. En efecto, está presente en el acto penitencial; después de la invitación a la oración; en la Liturgia de la Palabra (antes de las lecturas, entre las lecturas y después de la homilía); en la plegaria eucarística; después de la comunión [16]. No es un refugio para esconderse en un aislamiento intimista, padeciendo la ritualidad como si fuera una distracción: tal silencio estaría en contradicción con la esencia misma de la celebración. El silencio litúrgico es mucho más: es el símbolo de la presencia y la acción del Espíritu Santo que anima toda la acción celebrativa, por lo que, a menudo, constituye la culminación de una secuencia ritual. Precisamente porque es un símbolo del Espíritu, tiene el poder de expresar su acción multiforme. Así, retomando los momentos que he recordado anteriormente, el silencio mueve al arrepentimiento y al deseo de conversión; suscita la escucha de la Palabra y la oración; dispone a la adoración del Cuerpo y la Sangre de Cristo; sugiere a cada uno, en la intimidad de la comunión, lo que el Espíritu quiere obrar en nuestra vida para conformarnos con el Pan partido. Por eso, estamos llamados a realizar con extremo cuidado el gesto simbólico del silencio: en él nos da forma el Espíritu.
