## Vicars's Corner

Happy Easter! Remember that Easter is a day, an octave, and a season. That is, Easter Sunday is the day of the Resurrection, but the same joy of Easter Day is extended in our worship throughout the eight days following (already past now) and indeed the 40 days to the Ascension and through the remaining nine to Pentecost. It's not too late to enjoy Easter in reflection, prayer, and feasting!

That said, we shouldn't let Easter joy blind us to hard realities. If it did, our joy wouldn't be wholly genuine. Easter joy - the confidence that comes from real faith in the Resurrection, the truth that Christ has overcome sin and death - should give us the fortitude to face real problems head-on. That's good, because our news media makes it hard to dodge bad news. For example, there have been no less than three tragic mass shootings recently at the time I write. Instead of new life, these tragedies display death in a horrible form. It's worth thinking about what's at stake here. I'd like to direct you to a thoughtful article by author, editor, and moralist R.R. Reno, written five years ago, but still sadly relevant. The article asks more questions rather than giving easy answers, but they're questions that need asking: <https://www.firstthings.com/article/2018/04/permission-to-kill> (A new article on a different topic begins halfway down the page - this piece I'm recommending is quite short and an easy read.) It doesn't seem like this problem is going to simply go away. It's worth thinking about what a specifically Catholic response is - what can we do to overcome a fragmented society where young people feel so alone they turn to violence? Christ is risen and death is defeated - the Lord invites us to participate in his victory by fostering a culture of life everywhere.

¡Felices Pascuas! Recuerda que la Pascua es un día, una octava y una estación. Es decir, el Domingo de Pascua es el día de la Resurrección, pero la misma alegría del Día de Pascua se prolonga en nuestra adoración a lo largo de los ocho días siguientes (ya pasados) y de hecho los 40 días hasta la Ascensión y los nueve restantes hasta Pentecostés. ¡No es demasiado tarde para disfrutar la Pascua en reflexión, oración y fiesta!

Dicho esto, no debemos dejar que la alegría de la Pascua nos ciegue ante las duras realidades. Si así fuera, nuestro gozo no sería del todo genuino. La alegría pascual -la confianza que proviene de la fe real en la Resurrección, la verdad de que Cristo ha vencido al pecado y a la muerte- debe darnos la fortaleza para afrontar los problemas reales de frente. Eso es bueno, porque nuestros medios de comunicación hacen que sea difícil esquivar las malas noticias. Por ejemplo, ha habido no menos de tres tiroteos masivos trágicos recientemente en el momento en que escribo. En lugar de una nueva vida, estas tragedias muestran la muerte en una forma horrible. Vale la pena pensar en lo que está en juego aquí. Me gustaría dirigirlo a un artículo reflexivo del autor, editor y moralista R.R. Reno, escrito hace cinco años, pero que sigue siendo lamentablemente relevante. El artículo hace más preguntas en lugar de dar respuestas fáciles, pero son preguntas que deben hacerse: <https://www.firstthings.com/article/2018/04/permission-to-kill> (Este artículo que recomiendo es bastante corto y fácil de leer). No parece que este problema vaya a desaparecer. Vale la pena pensar qué es una respuesta específicamente católica: ¿qué podemos hacer para superar una sociedad fragmentada donde los jóvenes se sienten tan solos que recurren a la violencia? Cristo resucitó y la muerte fue vencida: el Señor nos invita a participar de su victoria fomentando en todas partes una cultura de la vida.

Our next **YOUTH NIGHT** will be on **Sunday, April 30th from 6-8 pm at the St. Peter in Chains school cafeteria**. We'll have some time for fun and games, faith formation, and adoration and confession. If your child (7th-12th grade) is interested in attending, please fill out the permission form located on the Hamilton Catholic Pastoral Region website under the tab "Our Youth." ([hamiltoncatholic.org/our-youth](http://hamiltoncatholic.org/our-youth)) It's only necessary to fill out the form once for the year. Last but not least, please pray for our parish family's youth and the volunteer mentors who support the group!

### 2nd Collection Next Week—Catholic Relief Services

The Catholic Relief Services Collection supports Catholic Church organizations that carry out international relief and solidarity efforts. Programs include relief and resettlement for victims of persecution, war, and natural disasters; development projects to improve living conditions for the poor; legal and support services for poor immigrants; peace and reconciliation work for people suffering from violence; and advocacy on behalf of the powerless.

### Addressing Gun Violence

Quite horrifically, school (and other mass) shootings continue to occur in our country. The #1 cause of death for young people is now firearms. Community after community is decimated by these tragic acts, and families are forced to face the worst nightmare imaginable. We stand in solidarity with these communities and call on all people to demand changes that will protect our children and all lives.

Last year, the USCCB strongly supported the Safer Communities Act. Upon its passage, Archbishop Paul Coakley, chair of the USCCB Committee on Domestic Justice and Human Development, said, "I commend members of Congress for their work thus far and encourage them to continue working to confront the plague of gun violence in our nation."

They have also spoken out in support of extreme risk protection orders (ERPOs), banning assault weapons and bump stocks, limiting civilian access to high-capacity weapons and magazines, criminalizing gun trafficking, a more appropriate minimum age for gun ownership, and in favor of improvements on background checks.\*

We offer this call to action issued by Archbishop Schnurr last year after the Uvalde shooting.

"There have been too many school shootings, too much killing of the innocent. Our Catholic faith calls us to pray for those who have died and to bind the wounds of others, and we join our prayers along with the (broader) community... As we do so, each of us also needs to search our souls for ways that we can do more to understand this epidemic of evil and violence and implore our elected officials to help us take action."

We strongly encourage you to join this effort: seek out groups in the community who are mobilizing to protect children and all people and join their work. We must ALL step up and raise our voices for peace.

### EXCERPTS FROM THE APOSTOLIC LETTER OF POPE FRANCIS

(June 29th, 2022)

#### ON THE LITURGICAL FORMATION OF THE PEOPLE OF GOD

**56.** The priest lives his characteristic participation in the celebration in virtue of the gift received in the sacrament of Holy Orders, and this is expressed precisely in presiding. Like all the roles he is called to carry out, this is not primarily a duty assigned to him by the community but is rather a consequence of the outpouring of the Holy Spirit received in ordination which equips him for such a task. The priest also is formed by his presiding in the celebrating assembly.

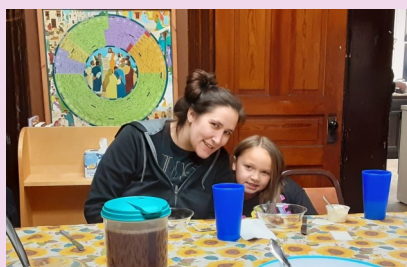

**57.** For this service to be well done — indeed, with art! — it is of fundamental importance that the priest have a keen awareness of being, through God's mercy, a particular presence of the risen Lord. The ordained minister is himself one of the types of presence of the Lord which render the Christian assembly unique, different from any other assembly. (cf. *Sacrosanctum Concilium*, n. 7) This fact gives “sacramental” weight (in the broad sense) to all the gestures and words of the one presiding. The assembly has the right to be able to feel in those gestures and words the desire that the Lord has, today as at the Last Supper, to eat the Passover with us. So, the risen Lord is in the leading role, and not our own immaturities, assuming roles and behaviours which are simply not appropriate. The priest himself should be overpowered by this desire for communion that the Lord has toward each person. It is as if he were placed in the middle between Jesus' burning heart of love and the heart of each of the faithful, which is the object of the Lord's love. To preside at Eucharist is to be plunged into the furnace of God's love. When we are given to understand this reality, or even just to intuit something of it, we certainly would no longer need a *Directory* that would impose the proper behaviour. If we have need of that, then it is because *of the hardness of our hearts*. The highest norm, and therefore the most demanding, is the reality itself of the Eucharistic celebration, which selects words, gestures, feelings that will make us understand whether or not our use of these are at the level of the reality they serve. It is obvious that this cannot be improvised. It is an art. It requires application on the part of the priest, an assiduous tending to the fire of the love of the Lord that he came to ignite on the earth. (Lk 12:49)

AND THAT'S A WRAP!

Sunday, April 23 is the day our Family Promise families leave us to move on to another church. This week we hosted 3 families. Those of us who have spent time with the families know it is hard to see them move on, but we know that soon they may be able to move into an apartment or home of their own.

Thanks to all the many, many volunteers who have given their time to make Dot's House a home for those awaiting for a home of their own.

#### MARY PAT'S RETIREMENT CELEBRATION FAMILY FUN NIGHT

Please join us to celebrate and thank Mary Pat for her dedication to our parish. She suggested that our annual Family Fun Night would be a great event to celebrate with her.

This will be another great time for the entire family. The gym will be open and supervised from 6-8 PM. Bring your playing cards and game boards. Soup, sandwiches, “walking” tacos, home-made desserts, coffee and soft drinks will be served from 5:30 until 7 PM. A donation of \$6.00 per adult and teenager; \$4.00 per child or \$15 per nuclear family is suggested. Please RSVP by April 30—reservation forms are available at the church exits.

This QR code will let you use your phone or device to listen to the most sought-after Catholic speakers and authors any time, anywhere. No radio required! ## St. Peter in Chains

### April 23: Third Sunday of Easter

The disciples had given up hope, they were confused and downcast. But they still had a spark within them and their hearts burned as they once again heard the Scriptures. But they could not see, could not understand. It was only their hospitality, "Stay with us", in the spaciousness of their reaching out to the Stranger and offering what they could give that their eyes were opened. Our daily reaching out to our neighbor is our daily walk with the risen Christ; we recognize him in others. (Living Liturgy, p.126)

Altar Rosary held their meeting on Monday April 3rd. We had 19 members in attendance, including two new members.

We would like to thank those who responded to our membership forms. We had 5 new members who said they would be able to help with projects and 11 new members who signed up as supporting members but are unable to attend the luncheons or help with projects. We appreciate all the support.

The winners of our Easter basket raffle were Karylee McKnight, Bill Plogman, Ms Sima Thomas, Ann Mourner and Suzanne Boatwright. Our sincere thanks to all who supported the raffle.

Our next meeting will be Monday June 5, 2023 in the Fenmont Center beginning at 12:45pm following the noon Mass. We are still looking to increase our membership to help us full fill our ministry to St. Julie Parish. All are welcome. ### NOTA DEL PADRE MIKE

#### RESERVE LA FECHA EN SU AGENDA

El 3 junio celebraré el Quincuagésimo Aniversario de mi Ordenación Sacerdotal.

Hace 50 años la tarjeta de mi ordenación llevaba este mensaje: La ordenación celebra que Dios trabaja por los hombres y mujeres en formar los sacerdotes. En acción de gracias por su gracia en acción durante los muchos años de formación y en expectación alegre de su presencia continua en el futuro.

Le doy gracias a Dios que ha seguido formándose como sacerdote por tantas personas en parroquias aquí en la Arquidiócesis y en Chile.

Celebraremos lo que Dios ha hecho con una Misa bilingüe a las 4:00pm y luego una comida de platos hispanos caseros y pulled pork. Más detalles pronto!

### Continuación... "HE DESEADO FIRMEMENTE:" CITAS DE LA CARTA APOSTÓLICA DEL PAPA FRANCISCO (29 de junio de 2022) SOBRE LA FORMACIÓN LITÚRGICA DEL PUEBLO DE DIOS.

62. Quisiera que esta carta nos ayudara a reavivar el asombro por la belleza de la verdad de la celebración cristiana, a recordar la necesidad de una auténtica formación litúrgica y a reconocer la importancia de un arte de la celebración, que esté al servicio de la verdad del misterio pascual y de la participación de todos los bautizados, cada uno con la especificidad de su vocación.

Toda esta riqueza no está lejos de nosotros: está en nuestras iglesias, en nuestras fiestas cristianas, en la centralidad del domingo, en la fuerza de los sacramentos que celebramos. La vida cristiana es un continuo camino de crecimiento: estamos llamados a dejarnos formar con alegría y en comunión.

63. Por eso, me gustaría dejaros una indicación más para proseguir en nuestro camino. Os invito a redescubrir el sentido del año litúrgico y del día del Señor: también esto es una consigna del Concilio (cfr. Sacrosanctum Concilium, nn. 102-111).

### Felicidades ! A los bautizados durante la Vigilia Pascual

### Celebrando!

**Gracias! A los catequistas, ayudantes de catequistas y los jóvenes voluntarios de RICA. Por compartir su fe, tiempo y amor a Dios.**
