

ALUMNI

FOREVER A COUGAR

FROM THE DIRECTOR

Since I began as SJB Alumni Director in January, the welcome I have received from alumni has been extraordinary. From members of SJB's earliest graduating classes all the way to last year's graduates, the common thread in my interactions has been your enthusiasm for St. John the Baptist Diocesan High School. I have truly appreciated and humbled to hear from so many of you individually, and to get to know you personally and share in your experiences at SJB.

As we look to grow and build the Alumni Program, we are striving to continue to be a resource, not only to fellow alumni, but the greater school community. We encourage everyone to get as involved as your personal situation allows. Whether it be attendance at an event, a donation to the financial needs of the school, joining/following one of our many social media channels, or sharing a connection with a fellow alumni or the Alumni Office, the ways to connect and participate are endless.

Please continue to reach out with your personal stories as well as any questions or comments you may have for me. We hope you enjoy our many new initiatives, including this newsletter.

I wish everyone continued health and happiness as together we continue to weather these challenging times.

Sincerely,

Vincent Catapano
