Sacramental Programs

Students enrolling for First Reconciliation, First Communion and Confirmation: Students must be registered for the Sacramental grades. It is a requirement that students have at least a **two year preparation**. There is no home school for these sacraments.

Students missing more than five classes (weather events not included) risk the possibility of not receiving the sacraments. Preparation is important. St. Peter Parish takes this obligation seriously.

For Information on Cancellation of classes, please refer to Channel 8, Fox News.

If there are no regular classes scheduled in the Public Schools, PSR will also not be in session. If a class is cancelled for other reasons, it is announced in the Parish bulletin which is distributed at all Masses on the weekend and on the website www.stpeternr.org on the home page!
