Health Corner

Mini Strokes- Essential thrombocythemia is an uncommon disorder in which your body produces too many platelets. Platelets are the part of your blood that sticks together to form clots.

This condition may cause you to feel fatigued and lightheaded and to experience headaches and vision changes. It also increases your risk of blood clots.

Essential thrombocythemia is more common in people over age 60, though younger people can develop it too. It's also more common in women.

Essential thrombocythemia is a chronic disease with no cure. If you have a mild form of the disease, you may not need treatment. If you have severe symptoms, you may need medicine that lowers your platelet count, blood thinners or both.

Stewardship Bulletin Reflection July 3, 2022 — Fourteenth Sunday in Ordinary Time

Is 66:10-14C; Ps 66:1-7, 16, 20; Gal 6: 14-18; Lk 10:1-12, 17-20

In today's Gospel passage, from Luke, we find our Lord appointing disciples to go out and prepare others to receive His invitation into the Kingdom of God. Every verse has something to say about the way a Christian steward should approach others. Let's consider at least one of the coaching tips Christ gives.

"The Lord appointed seventy-two others whom He sent out ahead of Him in pairs to every town and place He intended to visit." In His wisdom, Christ sent His disciples out not as individuals but in pairs, as teams. This approach to evangelization certainly provided practical advantages. The disciples could lean on each other for mutual support and encouragement, helping each other to stay on task and to put their heads together to pray and problem-solve. This teamwork approach is just as relevant to us modern-day Christian stewards. It takes courage and commitment to go out and invite others into the Christian life. We need to work together to do it well.

But there is also symbolic importance to working in teams. It points to the reality that when we invite others to embrace the Good News of the Gospel, we are not merely inviting them into a belief system, but into a relationship with Christ and through that relationship, into Christ's family — our fellow Christian disciples near and far.

Our parish is our immediate spiritual family in this extended worldwide fold. We are not meant to live as isolated individuals within the parish any more than we are meant to live in isolation within our families. We are meant to be a community. That is why it is so important for us to foster a vibrant, supportive, welcoming parish life. This is why we emphasize hospitality as one of the pillars of stewardship. It is not enough just to point others to Christ; we must invite them to join us in community with Him; we must offer a place and mission for them within our parish family.

Contribute to the St. Boniface Parish for Tomorrow Endowment Fund

We are doing well with our endowment fund. It is currently at \$103,000. This will produce a 5% yearly income with ordinary yearly growth of an additional 3-5%. This will be around, supporting your church, for as long as our society and its banking institutions exist! Like for decades after our own death! Additional gifts can be made to this and be matched 2:1 from other funds. Great opportunity. Plan for the end of the year.

Se pueden hacer donaciones adicionales a esto y ser igualados 2: 1 de otros fondos. Gran oportunidad. Plan para fin de año.
