1. Review of Events

Julienne Stanz Conference April 23, 2023. There were 10 or 12 people from OLP Parish and St. Theodore's that attended the Conference. There were good comments made of the presentation at the Conference.

2. Spring Bible Study

There was good attendance and good comments about the various leaders and they presentation made.

3. Eucharistic Adoration on Wednesdays

The Faith Formation students were able to attend the Wednesday night Eucharistic Adoration the last 15 minutes of their classes. The Eucharistic Ministers could help lead the adoration evenings, but there will need to be training. There were laminated sheets that provided information on adoration for people.

4. Eucharistic Procession

Everyone thought the Eucharistic Procession went well. A suggestion was made to pay attention to the line so that we would be closer together, which would make it easier to hear some of the things going on like the music and rosary.

5. Fall Small Group Study Sessions

Check EucharisticRevival.com to check if there are studies on the Eucharist. Another study would be "This Is My Body," by Bishop Robert Barron. If there are questions at the sessions that cannot be answered, the leader can invite the Pastor to the following week.

Suggestion for fall study group on times and days are Sunday 4:00 P.M., Tuesday 10:30 A.M. and 7:00 P.M, Wednesday 7:00. It will be a 6-week session beginning September 17, 19 and 20. John will call the ten people attending the conference to see if they would like to be group leaders for the groups formed and let the Parish Office know the results. Have everything organized by July 31, 2023, and on August 31 put out sign up sheets.
